It is my immense pleasure to know that the Department of Philosophy is ready to publish the first issue of 'SKBU Journal of Philosophy' in e-form. It is no doubt a subject of thought concerning nature, metaphysics, ethics, aesthetics, being, knowledge, logic, and all manner of theory, because of the standard of the writings which are placed in this issue. Hope the journal will secure its supremacy in the field of academic arena in near future through the fulfillment of the intellectual satisfaction of the academicians, general readers as well as the students.
